III. General professional experience:

I have practiced bankruptcy law for more than 20 years. I began my career as a Law Clerk (1988-1990) to the Honorable Cecelia H. Goetz, Bankruptcy Judge for the Eastern District of New York. After my clerkship, I spent three years in private practice at the New York City law firms of Dewey Ballantine (1990-1991) and Luskin Stern & Eisler, LLP (1991-1993). In 1993, I joined the United States Trustee's Office, a component of the Department of Justice, as an attorney in the Southern District of New York Office (1993-1996), rising to Assistant United States Trustee in both the Southern and Eastern Districts of New York (1996-2006). In 2006, I was appointed by the Attorney General to the position of United States Trustee for Region 2 (New York, Connecticut and Vermont), serving in that position until my retirement from Government service in 2010. During my tenure as the United States Trustee, I was closely involved in the largest and most complex cases ever filed including Refco, Inc., Lehman Brothers, Chrysler Corporation, and General Motors.

I am also an Adjunct Professor at St. John's School of Law, participating in teaching a course in Representing Trustees in Bankruptcy. I have participated in many panels for national, state and local Bar Associations, including the American Bankruptcy Institute and the New York County Lawyer's Association and lectured extensively at the National Advocacy Center.

IV. General pertinent experience:

Throughout most of my legal career I have been placed in the role of an "unofficial" mediator in obtaining the agreement of various parties involved in cases under my administration. Some of

the issues where I was required to play this role involved retention issues, compensation issues and the scope of investigation for examiners.

Shortly after being appointed to the Mediation Panel in the Southern District of New York I was chosen to mediate dischargeability complaints in two related cases. I successfully mediated these matters during a four hour face-to-face session.

V. Mediation training:

In March, 2012 I completed a 24 credit course in Commercial Mediation sponsored by the New York State Bar Association.

VI. Pertinent bankruptcy training:

VII. General pertinent business or legal experience:

Prior to attending law school I was a real estate agent and have experience in that area. For nine years I have assisted in operating an antiquarian book store and therefore have hands-on small business experience.
