### **III. General professional experience:**

I have practiced as a certified public accountant at Ernst & Young from 1985-1988, spending half my time in the audit department and the other half in the tax department. I practiced as a lawyer at Kaye, Scholer, Fierman, Hays and Handler for over eight years. I am now a partner corporate department specializing in bankruptcy at McDermott, Will & Emery.

### **IV. General pertinent experience:**

I pride myself in having been successful in consensual settlements without the need for any intervention by the court in literally hundreds of adversary proceedings and contested matters.

### **V. Mediation training:**

Mediation Skills Training course, sponsored by USBC-SDNY and NASD, Inc.,  
Nov. 3-5, 1997, 24 hours.

### **VI. Pertinent bankruptcy training:**

As an attorney in Kaye Scholer's bankruptcy department since the merger with Levin & Weintraub, I have practiced as counsel to debtors and official committee of unsecured creditors in several "mega" chapter 11 cases. I am continuing and expanding that practice at

McDermott, Will & Emery.

**VII. General pertinent business or legal experience:**

In addition to having practiced as an attorney at law and a CPA for approximately 13 years, I have also started and ran two successful businesses, a retail sneaker business and an on-site child care center.
