III. General professional experience:

As a relatively new arbitrator, I have served on securities cases, as member and as chairman, involving the following issues: injunctive relief, wrongful dismissal, raiding, customer disputes, pricing of international securities.

IV. General pertinent experience:

I am in the process of gaining mediation experience, and have no specific cases to refer to. The aim is to be of service and develop skills in alternative dispute resolution and build a professional reputation in the field. In corporate life I became an ombudsman in addition to a regular job in the IT field; in that capacity I mediated cases involving substance abuse, negotiated settlements in alleged employment discrimination, and functioned in what is called the 'employee assistance' field.

V. Mediation training:

I have completed an Advanced Negotiation and Mediation Skills Training course, sponsored by the NASD and the US Bankruptcy Court. The course was given by Abrams Mediation and Negotiation Inc, on March 7th, 8th and 9th, 2005, a 24 credit hour course.

NASD arbitrator training includes:

Panel member training

Chairman training

Course on disclosure
Course on expungement

VI. Pertinent bankruptcy training:

No practical experience as of March 2005. Have taken university courses that covered bankruptcy and wrote and published a doctoral dissertation on the bankruptcy of nations.

VII. General pertinent business or legal experience:

I have worked for Mobil Oil Company in an engineering capacity

I have worked for Union Carbide as a computer programmer/analyst

I have worked for American Can Company in the field of Operations Research
and as General Manager of a subsidiary company

I have served as a Presidential Interchange Executive in the White House, HUD- budget
director for housing research.

I have founded and managed two entrepreneurial companies

I have served as member and chairman of the Inlands, Wetlands and Water-Courses
Agency in Greenwich, Connecticut
