<u>II. Professional Organization</u>	<u>Date of Admission</u>	<u>Active/Inactive</u>
Association of the Bar Of the City of New York	January 8, 1975	Active
New York State Bar Association	April 14, 1975	Active
American Bar Association	October 12, 1988	Active
Nassau County Bar Association	March 11, 1999	Active

Currently I am a member of the Committee on Construction Law and Committee on Alternate Dispute Resolution of the Nassau County Bar Association and I am also a member of the Construction Industry Forum and Section on Dispute Resolution of the American Bar Association. Formerly I was a member of Committee on Construction Law of the Association of the Bar of the City of New York

III. General professional experience:

Present	Of Counsel Agovino & Asselta, LLP Mineola, NY
---------	---

I am currently in private practice specializing in construction disputes and matters representing owners, contractors and subcontractors.

May 1994	Vice President & General Counsel
To January 1999	Morse Diesel International, Inc.
	New York, NY

As General Counsel of Morse Diesel International Inc. (now called AMEC Construction Management), I was the chief legal officer for one of the premier general contractors and construction managers in the country. Morse Diesel is a builder of office buildings, apartment buildings, airport terminals, hospitals, stadiums, hotels, courthouses, and parking garages. As General Counsel I had responsibility for all litigation, construction, construction management and design build contracts and general corporate matters. This included litigation and dispute resolution strategy, as well as the supervision of all phases of litigation or settlement, including mediation and arbitration.

October 1978	Associate General Counsel
To May 1994	Ebasco Services Incorporated
	New York, NY

As Associate General Counsel of Ebasco Services Incorporated, I was involved in the review, preparation and negotiation of contracts with domestic and foreign developers, utilities, federal, state and local governments, suppliers and subcontractors for the engineering, construction or construction management of electric generating stations, cogeneration facilities, government facilities, and hazardous waste cleanups. I also was involved in litigation and contractual disputes and claims with owners and subcontractors, and professional and product liability litigation matters. This included litigation and dispute resolution strategy, as well as the supervision of all phases of litigation or settlement, including mediation and arbitration.

October 1974	Associate - Litigation, Corporate and Health Care
To September 1978	Kelley Drye & Warren
	New York, NY

September 1973	Associate - Litigation
To September 1974	Cravath, Swaine & Moore
	New York, NY

IV. General pertinent experience:

As General Counsel for Morse Diesel International Inc., and as Associate General Counsel of Ebasco Services Incorporated, I was involved in the mediation of disputes. Additionally, I have attended mediation training programs as set forth in paragraph 3.2 below.

V. Mediation training:

- A. Mediation Training sponsored by the New York State Unified Court System and the Commercial Division of the New York State Supreme Court-Nassau County for 16 hours during September 2002.
- B. Basic Mediation Training sponsored by Education & Assistance Corporation for 25 hours during October of 2001 (Certified by the New York State Unified Court System); and
- C. Bankruptcy and Alternative Dispute Resolution sponsored by the Nassau Academy of Law of the Nassau County Bar Association for one hour during October of 2001.
- D. How To Represent A Client in Mediation sponsored by the New York State Bar Association for 4 hours during November of 2001

VI. Pertinent bankruptcy training:

As General Counsel of Morse Diesel International and as Associate General Counsel of Ebasco Services Incorporated, I was involved with subcontractors who were in bankruptcy proceedings.

VII. General pertinent business or legal experience:

My college degree is in electrical engineering from the City College of New York (B.E.E.). I have also been a builder and general contractor of factory built homes.
