	Attorney	New York	2000
	Attorney	District of Columbia	1985
	Attorney	Maryland	1986
	Attorney	Virginia	1979

II. Professional Organization Date of Admission Active/Inactive

I am an active member of the American Bankruptcy Institute and the state bar associations in each of the jurisdictions listed above.

III. General professional experience:

I have twenty-seven years of experience in bankruptcy, debt restructuring and business insolvency. I am currently the co-vice chair of Drinker Biddle & Reath's corporate restructuring practice. Much of my practice involves the representation of bondholder interests and indenture trustees.

I have served as a panel trustee with the United States Bankruptcy Court for the Eastern District of Virginia and as a mediator with the United States District Court for the District of Columbia. Prior to entering private practice, I was a trial attorney in the Civil Division of the United States Department of Justice. At the Department of Justice, in addition to litigating bankruptcy cases, I handled government contract cases before the United States Court of Claims (now the United States Court of Federal Claims), administrative appeals before the Court of Appeals for the Federal Circuit, and commercial cases before the United States District Courts.

IV. General pertinent experience:

I have participated in numerous mediations either as a mediator or as counsel to a party. Most of the mediations in which I have participated have been complex and extremely adversarial. Virtually all of these mediations were successful.

V. Mediation training:

I have participated in a mediation training program. The programs in which I have participated are described below (including course, program sponsor and hours):

United States District Court for the District of Columbia – mediation program (1 day program).

VI. Pertinent bankruptcy training:

My practice is a traditional commercial bankruptcy practice. I represent business debtors, creditors, bondholders, indenture trustees, landlords, investors, and purchasers in insolvency situations and bankruptcy cases throughout the country. I have extensive experience in the following specialized areas: bonds and indentures; commercial real estate; and bankruptcy crimes and fraud.

VII. General pertinent business or legal experience.

A copy of my curriculum vitae is attached.

My office is conveniently located in downtown Manhattan near the Bankruptcy Court.
