-----x
If a Debtor files a Petition with more than **ten (10)** but less than **one thousand (1000)** creditors and equity security holders, the Petition *shall* be accompanied by a separate, additional creditor list on floppy disk, in addition to the list or schedules included within the petition. The disk shall be filed in a sealed 8 1/2" x 11" envelope and shall contain names and post office addresses, including zip codes, of the debtor's creditors, the debtor, the debtor's attorney, the United States Trustee and if a debt is owing to the United States then to the particular agency or department, if known, to which such debt is owing. The floppy disk shall be filed in accordance with the format and specifications annexed as **Exhibit "A"** and shall include a certification by the debtor that the information entered on the floppy disk is true, complete and correct.

An attorney who is filing several petitions simultaneously, including one or more petitions with more than **ten (10)** but less than **one thousand (1000)** creditors and equity security holders, in lieu of providing an additional, individual disk list of creditors and equity security holders for each petition with more than **ten (10)** creditors and equity security holders, may submit a single floppy disk if the total number of creditors listed does not exceed **one thousand (1000)** creditors.

The disk shall be submitted in a sealed 8 1/2" x 11" envelope and shall contain the lists of creditors and equity security holders for each of the petitions filed, including names and post office addresses, with zip codes, of the debtor's creditors, the debtor, the debtor's attorney, the United States Trustee and if a debt

is owing to the United States, then to the particular agency or department, if known, to which such debt is owing. The floppy disk shall be filed in accordance with the format and specifications annexed as **Exhibit "B"** and shall include a certification by the debtor that information contained on the floppy disk is true, complete and correct.

The foregoing requirement may be waived only upon submission of a written affidavit by an attorney or a pro se debtor, attesting to a lack of capacity to comply with the requirement.

If a Debtor files a Petition with **one thousand (1000)** or more creditors and equity security holders, the Debtor *shall* immediately contact the clerk of court to determine if the claims process should be undertaken pursuant to **28 USC § 156(c)**.
