This matter is before the Court upon the application and request by Rebecca Revich (the “Applicant”) for exemption from the fees imposed by the Electronic Public Access Fee Schedule adopted by the Judicial Conference of the United States Courts.

The Court finds, based upon the attached letter of the Hon. Randolph J. Haines, that the Applicant demonstrated that an exemption is necessary in order to avoid unreasonable burdens and to promote public access to information.

Accordingly, the Applicant shall be exempt from the payment of fees for access via PACER to the electronic case files maintained in this Court, to the extent such use is incurred in connection with the project described in the attached letter. She shall not be exempt from the payment of fees incurred in connection with other uses of the PACER system in this Court.

Additionally, the following limitations apply:

1. This fee exemption applies only to the Applicant, and is valid only for the purposes stated above.
2. This fee exemption applies only to the electronic case files of this Court that are available through the PACER system;
3. By accepting this exemption, the Applicant agrees not to sell for profit any data obtained as a result of receiving this exemption.
4. This exemption is valid through December 31, 2006.

This exemption may be revoked at the discretion of the Court at any time. A copy of this Order shall be sent to the PACER Service Center.

Re: Rebecca Revich

Dear Ms. Farrell-Willoughby:

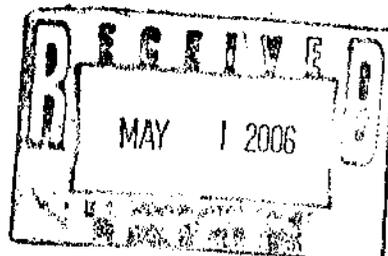

I have a student in the chapter 11 class I teach at ASU College of Law, Rebecca Revich, who will be doing a substantial research paper that involves some empirical research on the use of key employee retention plans, both pre and post BAPCPA. She has obtained a PACER account and we have given her free access to the Arizona ECF database, which can be done for research purposes, but only district by district. She would also like to look at filings in Southern District of New York. Would you be willing to enter an order waiving the PACER fees for her? I enclose a form of order, modeled on the one we entered here, if you want to use it to accomplish that. Thanks.

Sincerely,
