This matter is before the Court upon the application and request by Adriel J. Cardenas (the "Applicant") for exemption from the fees imposed by the Electronic Public Access Fee Schedule adopted by the Judicial Conference of the United States Courts.

The Court finds, based upon the attached letter received on August 3, 2023, that the Applicant has demonstrated that an exemption is necessary in order to avoid unreasonable burdens and to promote public access to information.

Accordingly, the Applicant shall be exempt from the payment of fees for access via PACER to the electronic case files maintained in this Court to the extent such use is incurred in connection with the project described in the attached letter and application. The Applicant shall not be exempt from the payment of fees incurred in connection with other uses of the PACER system in this Court.

Additionally, the following limitations apply:

- 1. This fee exemption applies only to the Applicant, and is valid only for the purposes stated above.
- 2. This fee exemption applies only to the electronic case files of this Court that are available through the PACER system;
- 3. By accepting this exemption, the Applicant agrees not to sell for profit any data obtained as a result of receiving this exemption.
- 4. This exemption is valid from August 3, 2023 through December 31, 2023.

This exemption may be revoked at the discretion of the Court at any time. A copy of this Order shall be sent to the PACER Service Center.

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

I am kindly requesting an academic fee exemption for accessing data/information on PACERs. More specifically, I am working on my doctoral dissertation, which entails data mining for attributes of construction disputes that result in corporate veil piercing. The full extent of data or information needed is unavailable under traditional legal databases, such as Westlaw, Lexis Nexis, Bloomberg Law, and so forth. Because this research is predicated on analyzing the underlying attributes of several hundreds of cases, each of which will consist of over 50 variables, the cost to acquire such information under the standard per page fee presents a significant financial hurdle. Put differently, cost is a factor in my ability to proceed with my dissertation. Again, your consideration of an academic fee exemption is greatly appreciated.

4.) In support of this application, I affirm the following:

a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.

b) That the exemption will be for a definitive period of time:

c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.

d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)
