3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

Despite women constituting roughly half of the workforce, they are significantly underrepresented and underfunded in the entrepreneurial sphere. The disparity in entrepreneurship between genders can be attributed to several factors, such as societal perceptions of women in the workforce, more pronounced and numerous hurdles in obtaining credit and venture capital due to biases in the financial sector. Women may face institutional barriers, including difficulties in dealing with regulatory frameworks and limited access to essential business networks for growth and support. Therefore, the way the judicial system addresses the needs of various types of debtors plays a critical role in the prospects of businesses led by women.

Our study utilizes bankruptcy filings as a testing ground to examine whether female-led businesses are granted more or less

4.) In support of this application, I affirm the following:

a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.

b) That the exemption will be for a definitive period of time:

c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.

d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)
