III. General professional experience:

I concentrate my practice in the areas of commercial bankruptcy law, and commercial and corporate law and litigation. On the bankruptcy side of my practice, I actively represent debtors, trustees, purchasers, creditors' committees, landlords, tenants, secured and unsecured creditors. I represent clients in a variety of litigation matters in commercial and bankruptcy proceedings in numerous jurisdictions, and have represented on a continuing and general basis individuals, partnerships and corporations with substantial business activities in manufacturing, health care, packaging, electronics, research and development, transportation, printing, real estate development and various retail enterprises.

IV. General pertinent experience:

I currently serve as a court-approved mediator for the United States Bankruptcy Court for the District of Delaware and for the Superior Court of the State of Delaware. I have conducted numerous mediations as mediator, and have participated in numerous mediation and alternative dispute resolution proceedings, including mediation at the United States Court of Appeals for the Third Circuit. I believe that my experience representing both plaintiffs and defendants, and both debtors and creditors, and my knowledge of bankruptcy and commercial law, will enable me to be a successful mediator in assisting parties in this Court to resolve their dispute.

V. Mediation training:

I have completed a 4-day certified mediation program conducted by the Superior Court of the State of Delaware.

VI. Pertinent bankruptcy training:

As stated above, I have a national practice in the areas of commercial bankruptcy law and litigation in which I represent debtors, trustees, creditors' committees, landlords, tenants, purchasers, secured and unsecured creditors.

VII. General pertinent business or legal experience:

I earned an MBA in 1989 (*summa cum laude*) from Drexel University in Philadelphia, PA, and worked in a Fortune 500 company as a Senior Accounting Analysis for 3 years after earning my MBA, but prior to enrolling in law school. I also worked as an Adjunct Instructor at Drexel University in its Finance Department of its College of Business and Administration for several years. As to my other experiences, I have attached a copy my resume.
