III. General professional experience: I have practiced consistently in the areas of bankruptcy, business reorganization, and business litigation since 1988. My clients have included chapter 11 debtors-in-possession, creditors' committees, creditors, acquirers of assets from bankruptcy estates, and parties in bankruptcy litigation.

IV. General pertinent experience: I have participated in numerous mediations as an advocate, and have watched some extremely professional expert mediators resolve difficult cases. I have gained an appreciation for the mediation process, and the work that goes into resolving matters.

V. Mediation training: Los Angeles County Bar Association Center for Civic Mediation – Basic Mediation Training (30 hours – August, 2014). This entailed 30 hours of intensive mediation training, including numerous role plays, lectures by experienced mediators, and simulated mediations.

VI. Pertinent bankruptcy training: I have over 26 years experience representing debtors-in-possession in chapter 11 cases, parties in adversary proceedings, and parties in out-of-court workouts, as well as creditors' committees, and acquirers of assets from bankruptcy estates.

I have taken many continuing education courses, and have lectured widely on bankruptcy topics to organizations including the American Bankruptcy Institute, the Los Angeles County Bar Association, and the Los Angeles Bankruptcy Forum.

VII. General pertinent business or legal experience: Prior to law school, I was a building contractor and real estate broker. The areas of construction and real estate are quite familiar to me.
