I am the former co-chair of the Business Bankruptcy Committee of the New York County Lawyers' Association.

**III. General professional experience:**

I am extremely experienced in complex cases under title 11 representing corporate and individual debtors, creditors, committees and trustees in chapter 11 and chapter 7 cases. I have been involved in all phases of debtor-creditor law, including workouts, secured transactions, negotiation and drafting of reorganization plans, disclosure statements, real estate sales contracts, lease assignments, lease modifications and bankruptcy litigation.

**IV. General pertinent experience:**

I have not had any direct mediation experience, either as a mediator or a participant. I have, however, in the course of my experience as an attorney, participated in settlement discussions and negotiations among various parties. I believe that mediation can be an effective alternative dispute resolution technique and can reduce the cost and time wasted through unnecessary litigation.

**V. Mediation training:**

I participated in a mediation training program. It was a two-day program which was held on June 21-22, 1995 and was conducted by the Institute for Conflict Management, Inc. VI.

**VI. Pertinent bankruptcy training:**

I have had considerable experience in all phases of bankruptcy and insolvency law, and I have represented debtors, secured and unsecured creditors, creditors' committees, equity committees, trustees and other parties under the Bankruptcy Code (Chapters 7, 11 and 12) and the New York Debtor and Creditor Law. I have managed complex Chapter 11 cases in a wide range of industries, including hotels, restaurants, real estate, retail and wholesale businesses, jewelry companies and mail order companies. I have dealt with issues such as bankruptcy planning, sales, borrowing and lending, adequate protection, leases and executory contracts.

**VII. General pertinent business or legal experience:**

Prior to obtaining a law degree, I obtained a bachelors degree in psychology and a masters degree in school psychology, after which I was licensed to practice school psychology in the State of Illinois.
