III. General professional experience:

I am bankruptcy and commercial litigation attorney with over ten years experience helping small and mid-sized businesses adapt to difficult financial circumstances. I am an active member of the American Bankruptcy Institute, where I am an associate editor of the *American Bankruptcy Institute Journal* and a member of the Court Administration and Alternative Dispute Resolution Committee. I am also a contributing author to Strategic Alternatives for Distressed Businesses (West 2008), a detailed review of the various options available to distressed businesses and creditors seeking to avoid bankruptcy court.

Before going into private practice, I spent two years working as a law clerk for the Honorable Jeffry H. Gallet, United States Bankruptcy Judge, Southern District of New York. Following this work in Judge Gallet's chambers, I worked for several major New York law firms including Gibson, Dunn & Crutcher and Allen & Overy where I was involved in major chapter 11 cases, such as Enron, Solutia and Swiss Air, and private transactions that required attention to detail, speed and discretion. I completed my legal training at Brooklyn Law School where I graduated *cum laude*. While attending Brooklyn Law School, I was a member of the Journal of Law and Policy and the Moot Court Honor Society.

IV. General pertinent experience:

I have been involved in numerous mediations and settlement negotiations, including ones turning on environmental remediation, commercial real estate and business/partnership dissolution issues.

V. Mediation training:

- Mediation and Conflict Resolution, University of California, Berkeley (extension), 40 hours.
- Conflict Resolution in Work and Home Life, Conflict Resolution Center of Santa Cruz, 8 hours.

VI. Pertinent bankruptcy training:

- See question 2.3 above.

VII. General pertinent business or legal experience:

In addition to running my own law firm and being a partner in another firm, I have set up and run an investment fund that operates a mid-sized multi-family building. Further, during my career I have represented numerous business owners, vendors, trade creditors, trustees, landlords, and lenders.
