National Courts

- Judicial Panel on Multidistrict Litigation
 U.S. Court of Federal Claims
 U.S. Court of International Trade

2.) I am an individual associated with

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

I am a Ph.D. student at the University of Chicago studying consumer bankruptcies. In particular, I research the efficacy of consumer bankruptcy audits introduced in Paragraph 603 of the Bankruptcy Abuse Prevention and Consumer Protection Act (BAPCPA) of 2005. For this research, I need to access dockets and audit opinions submitted to bankruptcy courts. To ensure that my research preserves the privacy of individuals, a large sample size is desirable, which requires me to access many dockets and download several hundred audit opinions. Unfortunately, the information is not accessible outside of PACER. Hence, the research would impose high costs without the exemption. My research enhances our understanding of the consumer bankruptcy process and provides an evaluation of components of the BAPCPA 2005 reform and could potentially inform future policy making.

4.) In support of this application, I affirm the following:

a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.

b) That the exemption will be for a definitive period of time:

c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.

d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)

Application for Fee Exemption for Research Purposes

Dear Chief Judge Glenn, Dear Mr. Genna,

My name is Fabian Nagel. I am an Accounting Ph.D. student at the University of Chicago Booth School of Business. I am writing to apply for a Fee Exemption to access consumer bankruptcy filings in the New York Southern Bankruptcy Court until December 31, 2023.

In my dissertation, I research consumer bankruptcies and, in particular, the effect of accounting policies on consumer bankruptcy outcomes. The research project is intended for publication in an academic journal.

To understand the details of consumer bankruptcies, I would like to access several bankruptcy filings. Since access fees accumulate quickly, I would like to apply for a fee waiver from your court. To illustrate, understanding the details of approximately 100 consumer bankruptcies only would result in a PACER fee of several hundred USD.

All individual-level information will be anonymized to ensure the privacy of bankruptcy filers. The research project will benefit the public by examining the effects of important policy changes, which may affect the direction of future policy making and improve the bankruptcy system.

I believe that the number of accessed dockets will not affect other users of the system for electronic records. To ensure that regular users of the system are not affected at all, I will primarily access the system outside of regular business hours.

The Senate Judiciary Committee has recently advanced legislation to remove PACER fees altogether. However, the final passing of the bill and its implementation will likely take years. In the meantime, individual researchers still rely on individual courts to grant fee exemptions to access filings. I sincerely hope that the court can grant me a fee exemption for research purposes until December 31, 2023.

Please do not hesitate to contact me if you have any further questions about the research project or my application for a fee exemption in general. You can find my contact information below.

Sincerely,

Fabian Nagel
