This matter is before the Court upon the application and request by Mark Ghobrial (the “Applicant”) for exemption from the fees imposed by the Electronic Public Access Fee Schedule adopted by the Judicial Conference of the United States Courts.

The Court finds, based upon the attached letter received on June 5, 2024, that the Applicant has demonstrated that an exemption is necessary in order to avoid unreasonable burdens and to promote public access to information.

Accordingly, the Applicant shall be exempt from the payment of fees for access via PACER to the electronic case files maintained in this Court to the extent such use is incurred in connection with the project described in the attached letter and application. The Applicant shall not be exempt from the payment of fees incurred in connection with other uses of the PACER system in this Court.

Additionally, the following limitations apply:

1. This fee exemption applies only to the Applicant, and is valid only for the purposes stated above.
2. This fee exemption applies only to the electronic case files of this Court that are available through the PACER system;
3. By accepting this exemption, the Applicant agrees not to sell for profit any data obtained as a result of receiving this exemption.
4. This exemption is valid from June 5, 2024 through December 31, 2024.

This exemption may be revoked at the discretion of the Court at any time. A copy of this Order shall be sent to the PACER Service Center.

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

Hello, I am conducting a data analysis research project to examine bankruptcy recoveries across cases involving Equity Committees. This study examines the informational efficiency of equity committee formation during the 2010 to 2020 period. I will identify firms emerging from Chapter 11 via the PACER database and investigate subsequent recoveries, durations, and other attributes (to be determined) given the formation of an equity committee. In addition, I will investigate equity returns, if any, in the subsequent 150 days following emergence, as well as the subsequent 300 days after emergence. Using several attributes from the PACER dockets with Equity Committees, and using cross-sectional regressions, i will investigate what best explains the variation in realized recoveries. Thank you for your consideration. USER ID: mmghob84. Account #: 7984706

4.) In support of this application, I affirm the following:

a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.

b) That the exemption will be for a definitive period of time: 6 months

c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.

d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement

may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)

Attachment to Application for Multi-Court Exemption from the Judicial Conference's Electronic Public Access (EPA) Fees

a. For my research on equity committee formation in Chapter 11 bankruptcies, I plan to review approximately 100-150 cases from the PACER database, focusing on those filed between 2010 and 2020. These will primarily be Chapter 11 bankruptcy cases (**Nature-of-Suit Codes:** 422 Appeal 28 USC 158, 423 Withdrawal 28 USC 157) where an equity committee was formed. Quantity estimate and key document types include:

- 100-150 Chapter 11 petitions
- 50-100 Motions for Appointment of Equity Committee
- 50-100 Orders Appointing Equity Committee
- 100-150 Disclosure Statements
- 100-150 Plans of Reorganization
- 100-150 Confirmation Orders

Note: I will not be accessing any audio files. My estimates are based on text documents (pdf, docx, etc)

b. While I have selected all courts bankruptcy courts in the application, I anticipate most of my research will be focused on the top Chapter 11 bankruptcy courts listed below. I am not yet certain where my research will take me so I have selected all courts at this time.

3. Texas Southern District
4. Texas Northern District
