**General professional experience:**

I have had more than 35 years of high quality experience representing clients as a bankruptcy and commercial litigator. I worked as an in house commercial and bankruptcy litigator for ADP and also in house for a major bank. I also was a bankruptcy attorney at major law firms, including Kaye, Scholer and Stroock & Stroock & Lavan. In addition, I clerked for Bankruptcy Judge Lifland and represented both creditors and debtors in my own practice and as an attorney with a smaller NYC law firm. I also importantly worked for many years until 2023 representing debtors in Bankruptcy Court as part of my work as a Staff Attorney for the Legal Aid Society of Rockland County.

Most recently, I have worked for a legal publisher as an Attorney Reviewer of text concerning, ie, bankruptcy law and have also worked for that publisher as a Legal Research Analyst evaluating AI responses to legal issues re, ie, bankruptcy law.

**II. General pertinent experience:**

Please see my Answer to Questions II and III above. In addition, I served on the Mediation Panel for the Supreme Court, New York County.

**III. Mediation training:**

Classes live and on line for the American Bar Association. I have also had training given by the Supreme Court, NY County and by the US Bankruptcy Court, SDNY.

**IV. Pertinent bankruptcy training:**

In addition to the training I received by clerking for a top notch Bankruptcy Judge and in working in the Insolvency areas of major NYC law firms, I have prepared written materials for and participated in several bar association panels dealing with various topics in bankruptcy law.
