**III. General Professional Experience**

Practice is concentrated primarily in the areas of corporate reorganization and out-of-court workouts and restructurings; and also includes corporate transactions and litigation. Representations have included debtors and debtors-in-possession, creditors' committees, a chapter 11 trustee, secured and unsecured creditors and acquirors of assets, in proceedings throughout the United States (some with cross-border filings).

**IV. General Pertinent Experience**

Have successfully acted as a Mediator, and much of my work requires a significant amount of skillful negotiation and mediation (both formal and informal) among members of other interest groups. I am a firm believer in the value of the negotiated resolution of disputes.

**V. Mediation Training**

---

A two-day program of mediation skills training given by the Institute for Conflict Management, Inc.

**VI. Pertinent Bankruptcy Training**

---

Have represented debtors, debtors-in-possession, creditors (both secured and unsecured), creditors' committees, a chapter 11 trustee, and acquirors of assets, in chapter 11 cases throughout the United States. My work has encompassed cases of varying size, and has often involved significant representations in nationally-prominent cases (some with cross-border filings); as well as out-of-court workouts and public debt restructurings.

**VII. General Pertinent Business or Legal Experience**

---

I have a leadership role in bar association activities and maintain good relationships with attorneys throughout the Country, which contributes to my overall credibility as a mediator.
